Subj: Memorex Telex Worldwide Directory

Enclosed please find a Xerox copy of the latest version of the directory. Until we have more precise information from the United States, this is the only version we will "publish." When you find errors, please help to fix them by sending a clearly marked page with the corrections to Phil Haddock in Lugano:

FAX: (41) 9150 8866

If you find an entire section needs to be re-done, please type it up as you would like to see it published, and send the changes to the same number.

Until we publish a more definitive version (hopefully by May or June), please use the enclosed copy as a master and make as many copies as you need, bind and distribute as you see fit.

Thanks for your patience and your help.
