In a move designed to put a stronger focus on engineering and development, Memorex Corp. of Santa Clara named five employees to new vice president positions.

Tom E. Gardner
Edward L. Marinaro, general manager of the mini disc drive division.

Tom E. Gardner was promoted from manager of planning for the peripheral equipment group to vice president and general manager of the newly created large disc drive division.

The others promoted were **Frank Sordello** in recording technology, **William J. Brown** in development engineering, **C. Allan Conover** in planning, and **Edward L. Marinaro**, general manager of the mini disc drive division.
